Subject: FW: Rover Pipeline 404 and MIDEQ - EPA LTR? - Received the preliminary/administrative DEIS today

Hi Melanie,

I just received three (3) CDs of FERC's preliminary (a.k.a. Administrative) DEIS (ADEIS) for cooperating agency review. I will bring you one of the ADEIS CDs today. Let me know via email by COB December 2, 2015, if you have any comments (issues/concerns/recommendations) with the wetlands/waters of the U.S. information in the ADEIS that you want me to convey to FERC for their consideration prior to FERC releasing the DEIS for public / agency comment.

Thank you,

OK, I will let you know when we are about to receive the Preliminary DEIS and in the future the DEIS. Is a CD version of these documents OK with you?

OK, thank you Melanie for the update. Just one last question: Do you (Watersheds and Wetlands) want to review/comment on the information in the PDEIS and/or DEIS concerning waters of the U.S. (Wetlands, stream, etc.)?

Hi Melanie,

Is today the due date for R5's (Watersheds and Wetlands) letter to MIDEQ regarding CWA Section 404 permitting for the Michigan portion of the proposed Rover (natural gas) pipeline? May I have a copy of your letter? Thank you.
